Mr. Garrett Palmer
302 Island Ave., #325
San Diego, CA 92101

Dear Mr. Palmer:

Thank you for your recent submission of the Jawbone Kickoff Tee for NFHS review.

As the liaison to the NFHS Football Rules Committee, who is charged with giving responses to manufacturers' request about equipment, I am writing to advise you that the leadership of the Committee has concluded that your Jawbone Kickoff Tee does comply with current NFHS Football Rules.

Currently, the NFHS Football Rules Committee does not have any proposals from member state high school associations to change the above mentioned rules.

You would need to contact the NCAA to see what their interpretation is for the college level.

Just a reminder, the NFHS does not endorse any products; rather, the NFHS responds to inquires, based on information available to us, as to whether a particular piece of equipment is deemed compliant with NFHS playing rules as currently written. You cannot use the NFHS logo or the NFHS brand in any promotion or advertisement of your product.

Again, thank you for your submission.

Happy Holidays!

Sincerely,
